EuroMed Feminist Initiative

3rd of March 2023

In memory of Doctor Basma Kodmani

It is with great sadness that we have just learned of the death of Doctor Basma Kodmani a well-known Syrian researcher and activist for a democratic future of her country. Research as the first step for action was our common motto with Doctor Basma Kodmani, dialogue between civil society and institutions was our common goal.

She was a member of the Constitutional Committee and participated in the Geneva process as a member of the Syrian Negotiations Commission.

EuroMed Feminist Initiative had the honor to have her presence in some of our events, gathering activists, researchers, policy-makers, and stakeholders committed to the political transformation of Syria.

Our thoughts are with her loved ones and family.

We shall honor her memory.

EuroMed Feminist Initiative is a policy network that provides expertise in the field of gender equality and women's rights as inseparable from democracy building and citizenship, and advocates for political solutions to all conflicts, and for the right of peoples to self-determination.
